

Ms. Jennifer Piorko Mitchell

Office of Corporate Secretary

Dear FINRA:

It never ceases to amaze me how FINRA can come up with such assinine rules and regulations. Regarding Regulatory Notice 18-22, why don't you ask me to hang a sign on my door that reads "Sue me I have E&O Insurance". Better yet "Sue for the Max". By allowing counsel to have advanced knowledge of coverage, you allow them to just ask for the maximum or more when no monetary award may be warranted. Why is FINRA doing counsels work? FINRA is making it too easy for investors to sue. Lawyers will be advertising "Make money or Sue your Broker"
